

Need help with your SOX?

Sarbanes-Oxley (SOX)

SOX and J-Sox have changed the way the domestic and global business communities operate. The compliance and documentation processes are demanding a more controlled environment across the board and increasing corporate accountability at all levels. Our resources have extensive experience managing SOX programs within the Fortune 1000 environment and can quickly acclimate to your unique business environment.

Etonien's SOX project and interim resources support chief audit executives, audit committees and senior executives of public companies, private companies and not-for-profits looking to improve internal controls or to bring valuable experience to a short-term project.

Specific Solution Areas

- Staff augmentation
- Testing, documentation and remediation
- Process improvement
- On-going training and in-house education
